### Welcome to Dublin:

We are pleased to host you here in Dublin for the 5th European 22q11 Conference. Together, as families, clinicians, scientists, and researchers from Europe (and further afield), we come together to share our respective knowledge and expertise of 22q, reconnect with old friends and make new ones.

### Meeting place:

As your hosts we welcome everyone to Dublin for a second time. Some of you may remember the European meeting 2017 which was held in Trinity College Dublin. On this occasion, we are happy to locate the conference in the Hyatt Centric in another historic part of Dublin known as The Liberties:
